Is a Mortgage Career Right for You?

If you're passionate about helping others finance their American dream, then a career as a Mortgage Loan Originator may be an excellent fit for you. As long as people continue to buy and sell homes, there will always be a need for qualified Mortgage Loan Originators. But like any professional, a Mortgage Loan Originator requires specialized training in order to gain an understanding of the mortgage process as well as State and Federal licensing regulations.

There's no better partner to help you interpret your state's often complex mortgage education requirements and help you achieve your professional goal than Kaplan Real Estate Education. Whether you're working toward a professional license or completing continuing education to maintain it, Kaplan is committed to your success.

Send Us All Your New Hires!

Training new brokers or loan originators can be a tedious and costly process. Kaplan Mortgage Education can help your new hires meet all their SAFE Education requirements—from obtaining licensing education to preparing for the exam and maintaining their licenses with CE.

If you have multiple employees who need SAFE education, contact us for additional discounts at **800-638-0947**.
